I was so worried about making a mistake in filling out the receipts and expenditures report, that I realized late last night that I likely did make one in the forms I mailed yesterday. So, I have tried to rectify what I think is wrong by sending an amendment.

On Schedules C & D there is an expense listed as campaign mailers for \$3046.78. That expense actually is campaign mailing, and the cost of yard signs. Yard signs were not listed in the original filing, they have been added in the included forms.

Sorry if this has created confusion and additional work.
